MEET BRENDAN MARKEY

Brendan graduated from St. Michael’s Academy in 2012, following three years in the SMA middle school. He went on to high school at Cathedral and currently attends college at the University of Notre Dame.

Brendan spoke freely about his time at St. Michael's Academy.

"My time at St. Michael’s helped me to develop skills that will serve me for the rest of my life, such as speaking, critical thinking and leadership. I also created friendships that remain strong today. The academic rigor, welcoming community, and constant faith presence at St. Michael’s, created an ideal environment for myself and my classmates. It helped us to mature into confident, accomplished, and compassionate young adults," said Brendan.

"I would highly recommend the catholic education at St. Michael’s Academy to any young students. It helped me be the person I am today."
